PERMIT NO. 841 October 6,
1917, on file at the Postoffice of Phila-
delphia, Pa.
By order of the President,
A. S. BURELSON,
Postmaster General.

Roma, 25 agosto.—Giovanni Ancillotto, un valoroso aviatore dell'Esercito italiano, ha compiuto in aeroplano un volo da Roma a Varsavia, la capitale della Polonia, ove e' stato ricevuto con grandi accoglienze da parte della popolazione e delle autorità.

L'Ancillotto ha consegnato al Presidente della Repubblica Polacca un messaggio del Presidente del Consiglio dei Ministri, On. Nitti, messaggio che aveva maggiormente a dimostrare le cordiali relazioni che esistono tra la Polonia e l'Italia.

Fiume, 25 agosto.—Una viva indignazione si verifica tra la popolazione di Fiume per le voci di una minacciata soppressione del Comando Italiano nella città. I giornali pubblicano articoli violenti tendenti a interpretare di tale indagine che scoprirebbe irrefrenabile qualora l'umiliante misura venga realmente attuata.

In Fiume, oltre al Corpo d'Armata comandato dal Generale Grazioli, si trovano ancorate le navi italiane "Dante Alighieri," "Emanuele Filiberto," e l'esploratore "Francesco Stocco."

Tutti attendono con viva ansia la pubblicazione dei risultati dell'inchiesta seguita sui recenti fatti di Fiume, compiuta dai generali degli eserciti alleati, poiché si crede che la soppressione del comando italiano possa essere una conseguenza dell'inchiesta stessa.

FIDANZAMENTO DI UNA SIGNORINA ITALIANA

Una simpatica festa si svolse, nel pomeriggio di domenica, in casa del coniuge Teresa a Domenico Falcone, al 1310 South Thirteenth street, una delle più note famiglie della colonia italiana, in occasione del fidanzamento della buona e gentile loro figliuola, signorina Maria, con l'egregio giovane Ettore Verna, del 1035 South Tenth street.

Una folla di amici e parenti intervenne alla festa ed esprime alla giovane coppia gli auguri più cari e speciali. Il momento congedato e durante la campagna in parola ottenne il permesso dalle autorità militari di poter prestare l'opera sua con la Divisione Italiana. Nei varii comizi che si tennero all'aperto, nei principali punti della colonia italiana, il Verna sollevò l'entusiasmo cantando patriottiche canzoni di guerra.
